I am a rising senior in High School and I have been swimming for 9 years. Additionally, I have enjoyed coaching the Little Otters program for the past two years and I am excited to lead the program again this year. I typically teach freestyle in Little Otters and in lessons but I am comfortable with teaching other elements of swimming as well.

I have been a swimmer all of my life, including swimming for my club team, Radnor Aquatic Club, and swimming at CSC since I was 8 years old. I truly love the sport and find so much joy in teaching younger kids how to swim properly as well as how to enjoy it. My areas of specialty are very broad. While I am, personally, a breaststroker I can teach all of the strokes as well as basic swim training.
